

WEB DESIGNER

AT EAST VALLEY CHILDREN'S THEATRE

Description:

The Web Designer would redesign EVCT's website with new software, innovative ideas and create a place everyone on the internet would want to visit.

Purpose and Impact:

Our goal is to provide youth a forum for building career and life skills, it is of the upmost importance to have a website that is current and engaging to our current patrons, as well as interesting and informative to our new visitors. As we enter our 20th anniversary season, we are looking for a creative person who can give the Theatre a new and consistent look.

Scope of Work:

Web Designer would scrutinize current website and formulate new ideas, design and modernize a new website and establish systems for website maintenance.

Skills and Attributes:

We are looking for someone with sophisticated knowledge of website development tools, techniques, and languages, is creative and loves to "think out of the box", and has fundamental graphic arts skills.

Timeframe/Schedule:

The job would take 3-6 months but is negotiable.

Work Environment:

Our Web Designer would collaborate with current webmaster, marketing director and artistic director, have use of resources available on site, and be surrounded by fun, energetic people who welcome new ideas.

Work Space:

Work can be done on office laptop or at home. Work hours are flexible, conducive to a friendly schedule for all involved.

Transportation:

Our office location offers abundant free parking, and is conveniently located on bus lines, with direct connections to the light rail and the Superstition Springs Transit Center. Our office is ADA accessible.

Benefits:

EVCT would offer free theatre tickets to award-winning shows, Professional Development, creative opportunities And a terrific experience to add to any resume.
